In-line Lint Trap – P/N 99 059

FOR DRYWALL INSTALLATION – CEILING OR WALL MOUNTED

This secondary lint trap is intended for use when required in a Dryer Booster Fan application, as noted in the Dryer Booster Fan installation manual. Additionally, this secondary lint trap can be used in Dryer Booster Fan applications where excessive dryer lint is likely.

This secondary lint trap is not intended for use without a Dryer Booster Fan, unless the application is approved by the dryer manufacturer and/or the local building inspector.

*Replacement door with filter may be ordered separately (P/N 99059-1).
