

# American Aldes Training Courses

TRAINING

American Aldes offers multiple courses that provide valuable information about our products and systems. These 1- and 2-hour webinars are intended to increase your knowledge and help you drive sales. They are a great way to get new employees up to speed on Aldes products, or to put an Aldes expert in front of your customers. Webinars will be offered periodically to those who are interested. **To make sure you are notified of upcoming sessions, please contact [sarah.horvath@aldes.com](mailto:sarah.horvath@aldes.com) and indicate which courses you want to take.** All presentations are free of charge.

## **Building Air Quality Solutions (1 Hour)**

- **Intended Audience:** New Aldes representatives and engineers who are unfamiliar with Aldes
- **Topics Covered:** Introduction to the Aldes product portfolio, including HRV/ERV, Constant Airflow Regulators (CAR), Zone Register Terminals (ZRT), Ventergy® Series Fans, and Airlets™.

## **Airflow Regulator Training (1 Hour)**

- **Intended Audience:** Engineers and Aldes Representatives
- **Topics Covered:** Detailed information on Constant Airflow Regulators (CAR). Includes discussion of system balancing (codes, stack effect, environmental challenges, etc.) and the features, benefits and uses of CARs and Zone Register Terminals (ZRT).

## **VentZone® Systems for Multi-Dwelling Applications (1 Hour)**

- **Intended Audience:** Engineers and Aldes Representatives
- **Topics Covered:** Ventilation solutions for multi-dwelling buildings (hotels, apartments, etc.) that use central/unified construction methods. VentZone® Systems and related products, including Zone Register Terminals (ZRT), Ventergy® Series Fans, HRV/ERVs, and Airlets™.

## **HRV/ERV Training - Level I (1 Hour)**

- **Intended Audience:** New Aldes representatives, engineers, and customers not familiar with Aldes
- **Topics Covered:** Overview of HRV/ERVs, including the range of models and major differentiating factors.

## **HRV/ERV Training - Level II (2 Hours)**

- **Intended Audience:** Aldes representatives and engineers who want in-depth information on HRV/ERVs
- **Topics Covered:** Advanced HRV/ERV training, including technical details and Aldes advantages over competitors.

## **HRV/ERV Training - Level II (2 Hours)**

- **Intended Audience:** Aldes Representatives (**INTERNAL USE ONLY**)
- **Topics Covered:** Advanced HRV/ERV training, including technical details and side-by-side comparisons with competitors.

## **Learning to Use the Aldes Selection Software (1 Hour)**

- **Intended Audience:** Registered users of Selector HRV/ERV, the Aldes Selection Software
- **Topics Covered:** Installation, set-up, and use of Selector. Learn how to build unit selections based on exact design conditions and specifications.

**If you have a special need (e.g., counter day, seminar), please contact [sarah.horvath@aldes.com](mailto:sarah.horvath@aldes.com) to discuss how we can put together a custom presentation for your organization.**
